Triad Construction Completes Wachovia Interior Office Build-out

West Allis, WI – Triad Construction Inc. in West Allis is pleased to announce the completion of a new tenant build-out for Wachovia in Madison, WI. The completed project marries two office spaces into one cohesive whole. The office build-out is approximately 7,100 sq. ft. and involved the placement of new partitions, ceiling systems, doors, windows, casework, and finishes. Members of the Triad team and its subcontractors were also responsible for designing and installing new HVAC, electrical, and plumbing systems.

“We’re delighted to have worked on a project that helps our client create a warm and user-friendly office space for its workers,” says Triad Construction Vice President and owner Mike Long.

Triad Construction Inc. is a general contractor specializing in commercial construction that makes it a priority to understand customers' needs. Triad Construction has a strong history of work on new buildings, building additions, and renovations in order to meet the changing needs of the community.
